Class Size and Instruction

NEW: For this summer, due to COVID-19, all of our camps are at a 1:8 ratio.

Our camp staff are carefully selected based on their experience, skills, enthusiasm and ability to work with children. All camp staff participate in a mandatory, pre-camp training program covering topics such as leadership, motivation, teamwork, feedback, policies and procedures as well as specifics about camp programs and management expectations.

All of our camp staff are certified in Standard First Aid and CPR C and have a clear Criminal and Vulnerable Sector Check.

Our high school volunteers must complete an interview with the camp director and attend the mandatory pre-camp training.

Supervision

Your child is in a caring and safe environment. We guarantee the safe supervision of your child by having a 1:8 ratio between staff to camper. Our high school volunteers are not included in our ratios and offer extra supervision. Campers will use a 'buddy system' for washroom breaks with a staff or volunteer. Campers are supervised at all times during camp hours.

Summer Camp Hours

NEW: To limit contact between individual camps and to prevent crowding in the hallways, we are implementing the following staggered camp hours for this year:

8:30am to 4:00pm (11:30am lunch)	Mini Music and Ready Set Action
8:45am to 4:15pm (12:00pm lunch)	Guitar, Ukulele and Boomwhacker
9:00am to 4:30pm (12:30pm lunch)	Garage Band, Percussion and Piano

Arriving at Camp

Sign-in Procedures

NEW: Monday morning sign-in: All campers will be signed in at the front door by one of our front door staff. Parents/guardians are not permitted into the school to reduce the number of people in our hallways. Younger campers will be escorted to their classroom upstairs by a staff member.

For safety reasons all campers must be signed in and signed out by a parent/guardian or authorized pick-up person only. **Please note that the parent/guardian or authorized pick-up person will be asked for ID upon pick up each day.**

Late Arrivals

It is important that campers arrive each day by their designated times as programming begins right away. Should you arrive later than your designated start time, you must report to the front desk and they will assist in locating your child's homeroom to be signed in with their camp leader.

Departing from Camp

Early Departures

Should you need to pick up your child early please inform your child's camp leader during morning drop-off. Otherwise, you can contact the front desk at 905-829-2020 after 10:00am daily and they can inform the camp leader on your behalf.

Sign-out Procedures

NEW: This summer, all campers will be waiting outside in our designated waiting area to be signed out by their parent/guardian/authorized pick-up person. **As always, photo ID must be presented by those authorized to pick up campers each day.**

Extended Care

To reduce contact between camps and campers, we will not be offering morning or afternoon extended care this year. Please check your individual camps for their specific start and end times.

Friday Performances

All camps culminate to a final performance every Friday afternoon between 2:00pm to 4:00pm. Your child's specific camp performance time will be indicated in your confirmation email. After your child's performance, you have the option to sign them out or leave them with the camp staff until the end of day pick-up time.

NEW: All camp performances this year will be live streamed. You will receive the live stream link the week of your camp.

Purchase a professional quality video of your child's camp performance for an additional fee of \$50.00. Merriam School of Music students will have their camp performances included in the following year's video log (must be an active student at the time of distribution).

Outdoor Time and Inclement Weather

NEW: Due to COVID-19, all our camps will be eating their snacks and lunch outdoors this summer, weather permitting.

Our camps take an outdoor break mid-morning and mid-afternoon. Mini Music campers play in the grass area behind the school while the older children walk with the camp staff to Thorn Lodge Public School to play in their park. In the case of extreme hot weather, precautions will be taken to keep campers hydrated and in cool or air-conditions areas where possible. On rainy or smog alert days, we will minimize outdoor time as necessary.

Medication

If your child requires any prescription medications including asthma inhalers or carries an Epi-Pen, please fill out the Medical Information section on the registration page. All prescription medications must be turned into the camp staff at morning sign-in and must be in the original pharmacy bottle, labeled with the patient's name and the physician's ordered dose on the bottle (e.g. pills in Ziploc bags are not accepted). Non-prescription/over-the-counter medication, including vitamins and herbal supplements, will not be permitted.

Asthma inhalers and Epi-Pens will be carried by your child. If you wish to discuss your child's medications or medical conditions in advance, please contact the Summer Camp Coordinator. Camp staff are not permitted to administer any medication except for Epi-Pen and/or inhalers with permission from the parent/guardian.

Merriam Music reserves the right to decide whether the camper should continue in the program or not when he/she is under any medical condition or special care needs. The decision will be made based on the available staff resources. You will be notified for any further arrangement.

Accidents and Emergencies

If your child is injured, you will be contacted following notification of appropriate emergency personnel. Camp staff will administer First Aid and complete an incident report. In the event that neither the parents/guardians nor the emergency contact can be reached, the camp staff and supervisors will make decisions regarding further medical care, including admission to the hospital and necessary treatment. A waiver form was included in your confirmation email to allow the Camp Coordinator/Staff to authorize all procedures, including admission to the hospital and necessary treatment in the event of an emergency. All of our camp staff are CPR and First Aid trained.

Illness

NEW: If your child should become ill while at camp, you will be notified. We will ask you to pick up your child if they show one or more symptoms compatible with COVID-19 (e.g. fever, cough, difficulty breathing, etc.). For the well-being of everyone, we ask that campers stay home if they are not well.

Allergies

Please inform the camp staff of your child's allergies and/or dietary restrictions upon registration. Please note that the school has a 'NO NUTS' policy in effect. There are campers and staff members with severe nut allergies so we thank you in advance for your adherence to this policy.

Snacks and Lunches

Please remember to pack lunches and snacks that will not spoil and a refillable water bottle as campers will be outdoors and active throughout the day. Please remind your child that they are not to share any food with other campers. Adult supervision is provided for all campers over the lunch period and during breaks.

NEW: All campers will be enjoying their snacks and lunches outdoors, weather permitting. Lunch times have been staggered to minimize contact between camps.

During the 2nd half of their lunch break the campers have the opportunity to enjoy a movie on our Protron screen in Studio A. It's just like being in the theatres!

11:30am lunch: Mini Music and Ready Set Action Camps

12:00pm lunch: Ukulele, Guitar, and Boomwhacker Camps

12:30pm lunch: Garage Band, Percussion and Piano Camps

Campers **MUST** leave the following items at home: Video games/electronics, money, toys from home, and anything you value and do not want others to use or get lost.

Safety

For the safety of all our campers, the camp offers a low camper to staff ratio. All camp staff are required to wear their camp ID badges for easy identification. All of our camp staff are trained in First Aid and CPR C. All camp rooms are locked when not in use.
